Dear Mark,

Thank you for your generous donation of \$1,800.00, which we received on 8/6/2015.

This August, we'll celebrate the graduation of the next class of students from our Community Kitchen Job Training Program. The 7-week program provides at-risk youth with instruction in basic food preparation, cooking techniques, work ethics, and life skills. This year, the students will also be trained in high-volume food preparation, learning to cook more than 400 meals at a time that can be frozen and later served at the Community Kitchen!

When students emerge from the Community Kitchen Job Training Program, they have built firm foundations for success in future careers. More than 84% of graduates move on to jobs or further education. It's all part of our mission to address not only hunger, but also its root causes—helping to lift people out of the cycle of poverty and into brighter futures.

Thank you, once again, for your willingness to give! To find out more about how your gift is serving others, visit us online at [www.foodgatherers.org](http://www.foodgatherers.org).

Forever gathering,

Eileen Spring
