**Thank you for making a difference!**

In February, 2013, we received 471 pounds from your food drive event. Dedicated friends like you help Food Gatherers distribute more than 17,000 pounds of food on an average day. Your struggling neighbors have you to thank for the food in their pantries and on their tables.

Food Gatherers exists to alleviate hunger and eliminate its causes in our community. For more information about our programs and partner agencies, please visit our website at [www.foodgatherers.org](http://www.foodgatherers.org).

Many thanks from all of us at Food Gatherers, your partners in the fight against hunger in Washtenaw County.
